

# 2026 SA ACE workshop **Gastric ultrasound**

**ANZCA Office, 168 Ward St, North Adelaide**  
**Saturday 28 March 2026**

Dr Jo Tan (BMed MD FANZCA) is a consultant anaesthetist at the Royal Adelaide Hospital who completed fellowships in neuroanaesthesia, upper GI and regional anaesthesia at the Royal Adelaide Hospital and Toronto Western Hospital.

Topics include ultrasound principles, anatomy, aspiration risk assessment and airway management. Participants gain hands-on experience in probe positioning, scanning techniques, and interpreting ultrasound images across diverse populations, including pregnant, pediatric and bariatric patients.

Advanced sessions cover troubleshooting artefacts, case studies, and integrating findings into practice. These workshops offer practical skills, expert feedback, and resources, making them invaluable for anaesthetists aiming to enhance patient safety and care with gastric ultrasound.

<b>8.30am</b>	<b>Registration</b>
9-10am	Session one
<b>10.30-11am</b>	<b>Morning tea</b>
11am-12pm	Session two
<b>12pm</b>	<b>Finish</b>
