

MISISON COMPLETE

Join us for a space-inspired evening of delicious food, networking and celebration of the achievements of the network. Delegates will enjoy a three-course dinner, the Emerging Investigators Prize Session award announcement and door prizes.

Date/time: Saturday 9 August, 7-10 pm

Location: Glenelg Surf Life Saving Club

Cost: Included in the registration fee

Guest tickets can be purchased at time of registration.

For those wanting to dress up (participation is entirely optional), a prize will also be on offer for the best individual and team costumes. Whether you choose to dress as a rocket scientist, a Star Wars character, or simply add a touch of futuristic space-inspired accessories to your attire, creativity is welcome.

Fancy dress guidelines

Realistic-looking weapons, sharp objects or projectile props are NOT permitted. All costume props must clearly be fake and safe. Delegates must comply with ANZCA's Code of conduct policy at college events, courses, and meetings.
